

INDEX

This is a combined index of the abstracts of books, journal articles, reports and unpublished materials, and of the project summaries which appear in this issue. Abstracts are indexed by author, subject and, when significant, place of origin, and are numbered 4328 through 4678. Project summaries are indexed by institutions, personnel, correspondents, subject and place of origin, and are numbered P 676 through P 763. Annual reports are not included in the index. They may be found in the Annual Reports section of this issue where they are numbered R 1 through R 259.
